GRANT OPPORTUNITIES

General Community Grants:

- Community Change Grants: The Community Change Grant works with a number of different groups and organizations that focus on advancing walkability.

<https://bit.ly/3moj8lr>

- People, Parks, and Power (P3): Funding is available to support organizations working in urban, low-income communities of color across the U.S. to increase park equity through local policy and systems change.

<https://bit.ly/3uhzKoy>

Community Garden Grants:

- American Public Gardens Association: There are multiple grants available through this website that pertain to Public Gardens.

<https://www.publicgardens.org/public-garden-funding-resources>

- Budding Botanist (Childs Gardening Grant): The Budding Botanist Grant will help children learn to garden.

<https://kidsgardening.org/garden-grants/>
