HURON COUNTY COMMISSIONERS APPROVE THE ACTIVE TRANSPORTATION PLAN

On Tuesday, December 21st, the CHC Coordinator met with the Huron County Commissioners to discuss the approval of the Active Transportation Plan. During this brief meeting, Grace went over the basics of the plan as well as the future improvements that CHC aims to accomplish. Throughout this meeting, the Commissioners seemed very supportive of the idea as well as commended Grace, along with all of the other participants who ultimately completed this project.

The Active Transportation Plan was ultimately approved by the Commissioners on Tuesday, December 21st, 2021. This means that CHC now has the support of the Commissioners on current, as well as future Active Transportation projects within Huron County that pertain to the Active Transportation Plan. I would just like to give a quick thank you to all the individuals who were involved in this process because it wouldn't have been completed without you:) If you would like any information regarding the Active Transportation Plan please feel free to contact me, my email is ghabeck@huroncohealth.com and my phone number is 567-244-3270. Below I have linked an article that outlines the meeting that was written by Norwalk Ohio News!
