Application for The Gold Plate Award

The new food licensing year is upon us. The Gold Plate Award is an acknowledgement given by the Huron County Public Health to food services that have excellent food safety practices. This award will be given annually and will be based on the facility's performance throughout the current licensing year. This is a voluntary program, and each facility must apply each year to be considered.

Applications must be turned in by March 15th. Awards will be given out at the end of the licensing year. Any facility that receives the award will receive a certificate that can be displayed in their food establishment and will be acknowledged on our website, as a Gold Plate Award winner.

For more information on eligibility or scoring, see our brochure or visit us at www.huroncohealth.com
