GRANT OPPORTUNITIES

- Huron County Community Foundation

Grant application deadline: February 15 & August 15
<https://www.huronccf.org/grants>

- AARP Community Challenge 2023 Grant

AARP Community Challenge grants will be funded in all 50 states, Washington, D.C., Puerto Rico, and the U.S. Virgin Islands. Grants will improve public places; transportation; housing; diversity, equity, and inclusion; digital access; and civic engagement, with an emphasis on the needs of adults age 50 and over. Many of this year's projects will help communities leverage funding under the American Rescue Plan Act and the Infrastructure Investment and Jobs Act.

- National Center for a System of Services for Children and Youth with Special Health Care Needs

This notice announces the opportunity to apply for funding under the National Center for a System of Services for Children and Youth with Special Health Care Needs (National Center). The purpose of this program is to advance the system of services for children and youth with special health care needs (CYSHCN) by supporting the implementation of the Blueprint for Change: Guiding Principles for a System of Services for Children and Youth With Special Health Care Needs¹ (Blueprint for Change), a national agenda to improve health and well-being for CYSHCN and their families. This program will assist Title V programs and other key stakeholders who serve CYSHCN and their families by implementing strategies in four critical areas: health equity, CYSHCN, and family well-being and quality of life, access to services, and financing of services.

GRACE HAS RESIGNED AS THE

CHC COORDINATOR

Hello everyone,
as I'm sure you've read above as well as seen on our social media pages I have resigned as the CHC Grant Coordinator. I have thoroughly enjoyed my time here at HCPH and with the CHC program. This was my first job out of college and I couldn't be more grateful for the experiences that you all have helped me create. I've gained ample confidence in myself as a result of this role and I truly have a special place in my heart for this program as well as HCPH. While I am saddened with this departure, I will be moving on to a role at Ottawa County Health Department as their new Epidemiologist and Emergency Preparedness Coordinator. As many of you may know, during my time here at HCPH I have been working towards finishing my Master's degree in Epidemiology so I am excited to venture into my chosen career field. With that being said, a new CHC Coordinator will be needed to fill my place and fulfill this and future years' grant requirements. I linked the job posting for this role below as well as provided Nicole Marks's information as she will be your new point of contact for this program until a new coordinator is hired. My last day will be on January 20th, if you have any questions or concerns regarding anything before I leave, please feel free to reach out. Finally, I would like to thank all of you for your help and dedication toward this program and I hope to see Huron County continue to flourish. ❤️

-Grace
